

Siduri, named for the Babylonian goddess of wine, specializes in cool-climate Pinot Noir from growing regions across California and Oregon. Our winemakers' constant pursuit of Pinot perfection has led to long-standing relationships with top growers in premier appellations from Oregon's Willamette Valley to California's Santa Barbara County.

2021 PINOT NOIR WILLAMETTE VALLEY

The 2021 Siduri Willamette Valley Pinot Noir comes from vineyards in two distinctive appellations within the Willamette Valley: Yamhill-Carlton and Eola-Amity - plus a third vineyard in the Southern Willamette Valley, Maple Grove, that adds structure and richness. These three areas all bring different attributes to the blend and give us a broad range of flavors to blend to create a wine that is simultaneously rich and zippy—the best of all possible worlds!

VINTAGE NOTES

The 2021 vintage started out relatively cool and dry, then vacillated between warm and cool periods through June. The infamous heat dome event happened at a time when berries were still firm and we escaped unscathed. With a warmer than average vintage, picking began in early September in Yamhill-Carlton before continuing further south in Eola-Amity. The vintage is quite rich and is accented by spice and earth notes that weave together a complex and inviting blend.

WINEMAKING NOTES

Every section was vinified separately, with occasional whole-cluster fermentations adding carbonic fruitiness and spice notes from stem inclusion. The 2021 vintage features effusive aromatics that soared from the tanks once fermentations kicked off.
