

Siduri, named for the Babylonian goddess of wine, specializes in cool-climate Pinot Noir from growing regions across California and Oregon. Our winemakers' constant pursuit of Pinot perfection has led to long-standing relationships with top growers in premier appellations from Oregon's Willamette Valley to California's Santa Barbara County.

2022 PINOT NOIR

Gran Moraine Vineyard

Located in the heart of the Yamhill-Carlton AVA in the Willamette Valley, Gran Moraine takes its name from the glacier movements during the last ice age. The Missoula Floods deposited glacial sediment (moraines) in the northern Willamette Valley. Tucked into a rain shadow in the foothills of the coastal range, Gran Moraine Vineyard produces Pinot Noirs with outstanding juiciness and zesty acidity.

VINEYARDS: Gran Moraine, Cantwell, and Maple Grove

AROMATICS: Pomegranate, blackberry, espresso

PALATE: Plum, blueberry, toast

ALCOHOL: 14.1% | **TA:** 5.6 | **pH:** 3.67

AGING: 14 months, 30% new French oak

CLONES: 115, 667, 777

VINTAGE NOTES

It would not be an overstatement to say that the 2022 vintage in the Willamette Valley was miraculous. After bud break, a devastating frost impacted the young buds in many areas of the valley, leaving the vines with a difficult road to recovery. But recover they did! After a cool and wet Spring, the calendar turned to July, and we were off to a warm and dry summer. The late, warm bloom period and abundance of water in the ground set some relatively large clusters, so heavy thinning was essential. Oregon then experienced the warmest October on record, and with harvest not starting until the first week of October, we were unbelievably lucky. The wines are concentrated, fresh, and vibrant – a vintage like no other.
